### **QUOTE OF THE DAY**

“I have things in my head that are not like what anyone has taught me — shapes and ideas so near to me — so natural to my way of being and thinking that it hasn't occurred to me to put them down. I decided to start anew, to strip away what I had been taught.” – Georgia O’Keeffe

“Every now and then a clear harmonic cry gave new suggestions of a tune that would someday be the only tune in the world and would raise men's souls to joy.” – Jack Kerouac

“While many of us bemoan the ways that screens shrink our attention spans and distract us from so many things, including reading, social media has also provided a wealth of opportunities for readers to find community with one another and to find out about books they may love.” – [Ruth Dickey](#)

“Freedom’s dangerous because it lets you think for yourself, and no one who’s trying to protect their power wants a society full of free-thinking people.” – George Clinton

“Life does not cease to be funny when people die any more than it ceases to be serious when people laugh.” – George Bernard Shaw
