### **QUOTE OF THE DAY**

"The self is not something ready-made, but something in continuous formation through choice of action." – John Dewey

"But the greatest thing about music is putting it out there for people to figure out. You want the listener to find the song on their own. If you give too much away, it takes away from the imagination." – Diana Krall

"The painter paints, the musician makes music, the novelist writes novels. But I believe that we all have some influence, not because of the fact that one is an artist, but because we are citizens." – Jose Saramago

"Avoid the crowd. Do your own thinking independently. Be the chess player, not the chess piece." – Ralph Charell

"Never bear more than one trouble at a time. Some people bear three kinds --- all they have had, all they have now, and all they expect to have." – Edward Everett Hale

"It's a small world, but I wouldn't want to have to paint it." – Steven Wright
