### **QUOTE OF THE DAY**

“Art is Harmony. Harmony is the analogy of opposites, the analogy of similarities of tone, of tint, of line taking account of a dominant and under the influence of the lighting, in combinations that are gay calm or sad.” – Georges Seurat

“Surely the day will come when color means nothing more than skin tone, when religion is seen uniquely as a way to speak one’s soul; when birth places have the weight of a throw of the dice and all men are born free, when understanding breeds love and brotherhood.” – Josephine Baker

“Although the world is full of suffering, it is full also of the overcoming of it. My optimism, then, does not rest on the absence of evil, but on a glad belief in the preponderance of good and a willing effort always to cooperate with the good, that it may prevail.” – Helen Keller

“Stop the habit of wishful thinking and start the habit of thoughtful wishes.” – Mary Martin

“Some say I have a beautiful voice, some say I have not. It is a matter of opinion. All I can say, those who don't like it shouldn't come to hear me.” – Maria Callas
