**December 2**

## QUOTE OF THE DAY

“Some say I have a beautiful voice, some say I have not. It is a matter of opinion. All I can say, those who don’t like it shouldn’t come to hear me.” – Maria Callas

“Art is our chief means of breaking bread with the dead.” – W.H. Auden

“If the fine arts and the humanities really didn’t matter, then most of what we call civilization has been a mistake.” – Unknown

“To be a poet is a condition rather than a profession.” – Robert Graves

“It is the individual who can and does make a difference even in this increasingly populous, complex world of ours. The individual can make things happen. It is the individual who can bring a tear to my eye and then cause me to take pen in hand. It is the individual who has acted or tried to act who will not only force a decision but also have a hand in shaping it. Whether acting in the legal, governmental, or private realm, one concerned and dedicated person can meaningfully affect what some consider an uncaring world. So give freely of yourself always to your family, your friends, your community, and your country. The world will pay you back many times over.” – Sandra Day O’Connor

“I never know what I'm going to put on the canvas. The canvas paints itself. I'm just the middleman.” – Peter Max

“I need to love my enemies; I made them.” – Red Skelton
