

**50th Anniversary Grant Recipient Zoom Session
with State Level Resources
(Wisconsin Arts Board and other state agencies)**

Here's a list of possible people from your community whom you might consider inviting to join you in the Zoom session with us, and some questions that might spark additional ideas. It is not an exhaustive list, so please add to it as you see fit.

*Note: **Please make time to gather/collect the email addresses and/or phone numbers** for the people you think could benefit from the Zoom session.*

Consider whom you want to rope into the conversation so that they can better understand the value of what you bring to and from your community.

Then invite them!

Questions to consider:

- Who are the people you've wanted to work with but maybe haven't felt like you have a compelling enough reason?
- Who are people who might have other arts-related ideas and projects that should know about these state level resources available to them?
- Why else might you want to bring people to this Zoom session?
