QUOTE OF THE DAY

"Art is the objectification of feeling." – Herman Melville

"There are two kinds of worries - those you can do something about and those you can't. Don't spend any time on the latter." – Duke Ellington

"You cannot live your life looking at yourself from someone else's point of view." – Penelope Cruz

"It is justice, not charity, that is wanting in the world." – Mary Wollstonecraft

"We're in such a hurry most of the time we never get much chance to talk. The result is a kind of endless day-to-day shallowness, a monotony that leaves a person wondering years later where all the time went and sorry that it's all gone." – Robert M. Pirsig

"The greatest good you can do for another is not just to share your riches, but to reveal to him his own." – Benjamin Disraeli

“It is well known that a vital ingredient of success is not knowing that what you're attempting can't be done.” – Terry Pratchett
